Hi Amany and Andrew,
We are tracking your request, but please go ahead and complete the form that Janna mentioned so that we have all the necessary details.
Thank you in advance.

Hi Amany and Andrew,

You can reach out directly to our Systems Integration Division, Reports and Analysis Branch, to request the data. I believe some of your colleagues are currently on a call with them to discuss another data request. I've copied our SID/RAB colleagues on this email so that you can coordinate with them directly. The SID/RAB inbox is: ██████████

The FDNS-DS Request Form can be found on the RAB ECN Website via the following link:
██████████

Thanks,

Janna

Subject: RE: TPS Data Pull for Honduras, Nicaragua

Hi Janna,

As Andrew mentioned, we are requesting data on fraud, public safety, and NS/KST for applicants and beneficiaries of TPS Honduras and TPS Nicaragua similar to the data we requested for Nepal TPS and Cameroon TPS. Would you/your team be able to provide those numbers by Friday, April 18th?

Please let us know if that works or if you need any additional information. The data from OPQ to run your reports is attached.

Thank you,
Amany

Hi Janna,

We're planning to send you another data request later this week. We'll be looking for the same type of data you've given us previously, but this time it will be for Honduras and Nicaragua. We'll be sure to give you a full week for analysis. I'll be on leave for the next few days, so either Amany or Kelley (both cc'd) will reply to this thread with the OPQ spreadsheet.

Thank you again!

Andrew

Good Morning, Andrew,

I am so sorry for the delayed response. Yes, our Systems integration Division Reports and Analysis Branch is working on the data pull and should be able to have the data to you by COB Wednesday. If possible, could you provide at least a week on future requests? This team receives a significant number of data requests and any additional lead time you can provide is very much appreciated.

Thank you so much,

Janna
